Helping adults to live a life free from abuse or neglect

## Newsletter — May 2019

### A welcome from our new Independent Chair:

'I'm delighted to be the new Independent Chair for Bexley Safeguarding Adults Board. I have previously worked in Bexley, but it's a long time ago now. In the mid 90's I was the Assistant Chief Officer responsible for children's social care so its nice to be back in a different role. I'm a social worker by background. For the past 20 years I've been in senior manager roles, and in the past 12 years have been in different parts of England as either a director of adult services, or children's services. Mostly I've gone to where services have been judged poor and have helped lead the Improvement journey.

I began my career in Glasgow where my eldest daughter was born. She suffered brain damage at birth and has as a result complex needs, requiring sign language and a lot of patience! Helping her over the years has greatly influenced and strengthened my commitment to improving outcomes for disabled children and adults, and ensuring they are safe and well supported. This new role in Bexley is a new opportunity to work with equally committed staff and partners to deliver this in this area.'
